Excellence

Founder and Head Chef of
J's Cakes

Her skillful cooking at home, applauded by friends and family, had found its avenue for growth. The allure of culinary excellence led her to France, where a 9-month program and work at a Michelin-starred restaurant deepened her mastery.

Returning to Canada, Jayanthi's culinary prowess grew operating her own bakeshop in the Kitchener-Waterloo area. Her creations reflect her personality, radiating positivity. Jayanthi's journey from doubt to triumph culminated in the establishment of "J's Cakes" in March 2023. With a fully booked business, her delectable offerings reflect not just her culinary skill but the profound passion that fuels her remarkable journey.

“The school will help you get a job- or create your own!” Jayanthi Vellore

In 1993, Jayanthi's journey from India to Canada ignited a deep passion for French cuisine amidst cultural fusion. Her harmonious blend of French and Indian culinary influences began to take shape, giving rise to a unique style. Despite a successful career in dental assistance and office management, her heart yearned for a culinary pursuit aligned with her soul.

Her pivotal moment arrived at Top Toques Institute of Culinary Excellence, where she earned her Top Toques Diploma in 2017.
